Lingua Latina Textbook Margins:
Explanations of Symbols

=   **equal sign between two words or expressions that have the same or virtually the same meaning (ex. evil = bad)**

Ɔ: **"that is to say" and is used to explain the meaning of a word in a particular context (ex. she Ɔ: Julia)**

⟷   **"is the opposite of" (ex. good ⟷ bad)**

<   **"comes from" or "is derived from" and is used to show the origin of words that are derived from other words which you already know (ex. sunny < sun)**
